Youth sports programs and competitions are a benefit to our communities, as they help keep kids active while building social skills and confidence among the next generation. Gymnastics is a popular and developmentally advantageous option among many activities that today’s kids enjoy. We hope you’ll decide to become a sponsor of our local gymnastics’ competition.

**Here’s why:** We are hosting a meet for athletes from all around Kentucky. Many athletes and their families will be traveling to the Versailles area for the weekend and will be looking for suggestions for dining, entertainment, lodging, etc. As a sponsor, your business’ name and services will be shared with them. Agility serves over 400 local families in Woodford and surrounding counties, so your business will also be promoted to them.

**As if that wasn’t enough....**

...Your sponsorship will directly support local families whose children are participating in this competition by offsetting the cost of fees.

**When and Where:**

December 16-17, 2023 at Woodford County High School

If you would like to empower the next generation of athletes, invest in your community, support a fellow local business AND advertise YOUR business, BECOME A SPONSOR!
