Christmas in the Bluegrass Gymnastics Meet Corporate Sponsorship Opportunity

Youth sports and competitions within our communities are crucial; sports help keep kids active while building confidence and social skills. Gymnastics is a popular and developmentally advantageous option available for kids today. We hope you will see the benefit and become a sponsor of our annual local gymnastics meet.

Here's why: We are hosting a meet for athletes from all around Kentucky. Many athletes and their families will be traveling to the Versailles area for the weekend and will be looking for suggestions for dining, entertainment, lodging, etc. As a sponsor, your business' name and services will be shared with all families in attendance.

As if that wasn't enough: Your sponsorship will directly support local families whose children are participating in this competition by offsetting the cost of fees.

If you would like to empower the next generation of athletes, invest in your community, AND advertise YOUR business, BECOME A SPONSOR!

Business Name: _____

Contact Name: _____ Contact Number or Email: _____

Address: _____ _____ _____

Email a short slogan and your company's logo to stephanieburkybile@gmail.com (Booster Club Fundraising Chair)
